## Going Coastal

Relaxing by the sea practically becomes a sport during the summer months, and with good reason. The refreshing winds, salty water and delicious seafood make the coast a destination and synonym for the summer. Retailers can help consumers prepare their oceanside home with products that reflect the reason they answered the sea's call in the first place. —T.L.

The Palms Welcome Mat invites guests inside with a reminder of shady palms reaching over a beach chair. Entryways USA. [entrywaysusa.com](http://entrywaysusa.com)
