Living on Lake Time

A trip to the lake is the perfect getaway for those who aren't close to the ocean or prefer silt shores to sand. By creating lake displays with a wide variety of décor and other lake necessities, retailers can demonstrate how to spruce up their cabins by the water, or even their lake-inspired homes. —T.L.

A fish-shaped bottle with a cork is the ideal storing space for unique lakeside finds. Abbott. abbottcollection.com
