## Room to Play

Unlike adults who prefer to be shielded from noise, children want their rooms and playrooms filled with bright colors and their favorite toys and products that keep them interested. Toys that double as room displays are perfect parent finds.

**1** The Slimeball Light Claw and Glow Target keeps no-mess slime fun by staying lit as it splats onto the sticky glow target without leaving a mark or sticking to anything else. Diggin. digginactive.com  
CIRCLE #695

**2** The Kids First Coding & Robotics kit teaches coding principles and skills to children with the guidance of Sammy, a peanut butter-and-jelly sandwich. Thames and Kosmos. thamesandkosmos.com
