PERSONALIZED RETAIL

Retailers can get just as much out of personalized products as the consumers themselves. Manufacturers and vendors that allow for retailers to customize products with their own brands can help keep a store's information alive after shoppers have left. From custom chocolate bars to candles, personal store branding can be accomplished in a variety of formats that benefit the retailer.

1. Private label candles for retailers. Southern Firefly Candle Co. southernfirefly.com
2. Tervis wholesale account customizations. Tervis. tervis.com
3. Customizable lids. Don de Fleurs. dondefleurs.com

ANGRY-POTUS™ microwave cleaner

Disinfects, cleans, and softens stains for easy wiping!

Cleans with a cloud of HOT STEAM!

CRUD is not fake news!™

Even at the White House I do an absolutely "Fantastic Job" cleaning the CRUD from our HUGE microwave oven... it's AMAZING!

This is the easy way to clean the CRUD from your home or office microwave oven! And he's dishwasher safe.
